SUMMER 2 2024-2025

MONDAY 14TH JULY 2025

Letter from Executive Headteacher, Sarah Jarman

Dear Parents and Carers,

As this academic year has drawn to a close, we reflect upon the successes of all of our children. Each day they make us extremely proud of their journeys at Queen Edith. As always, this half term there have been plenty of opportunities to shine. Our sports days were a recent example of this, when children from across the school came together to show true sportsmanship, taking part in class activities and sporting races together.

Both Reception/Key Stage 1 and Key Stage 2 events had a healthy air of camaraderie about them, with children and families showing their support for each other. It was lovely to enjoy such a relaxed and enjoyable event, bringing our community together once again.

Children were keen to find out who had won the prestigious trophy and which colour ribbons now adorn it for another year. In case you were not able to make it, here are the results over the page.....

Key Stage 1:		Key Stage 2:	
1 st place	Griffin (110 points)	1 st place	Centaur (195 points)
2 nd place	Pegasus (102 points)	2 nd place	Griffin (179 points)
3 rd place	Phoenix (92 points)	Joint 3 rd place	Phoenix (160 points)
4 th place	Centaur (87 points)	4 th place	Pegasus (149 points)

David Mackie, an artist, has been appointed to create public artwork for the planned housing development off Worts Causeway – known as Eddeva Park/Newbury Farm. A selection of children from Years 5 and 6 at Queen Edith and Year 6 at Queen Emma were chosen to work with him on permanent art feature that will be accommodated on this new development.

Our children have worked with David in creating a legacy to the area, which included consideration about the local history, myths and biodiversity of that particular part of Cambridge. He helped them to bring their ideas to life through drawing images that celebrate the sense of place and character of the area. These drawings were then embossed, creating some pretty impressive art pieces. Alongside this the children created mini art sketch books. Please enjoy browsing the photos to see the results below.

You may have noticed some exciting new markings in our Key Stage 2 playground in recent weeks. These have been especially designed to encourage children to be active and we have already seen children (and some adults) enjoying using these, particularly before school! Thanks to a successful application to the 'Learn2Live Well Fund' we were able to purchase these markings using grant funded money.

This has also allowed us to make vital repairs to our Key Stage 2 trim trail. We are now hopeful that our plans for the Key Stage 1 playground equipment to replace the train and station can come to fruition during the October half term. This follows a long procurement procedure that is currently in process, with the support of the PSFA funds to allow us to improve this area.

It is time to say 'bon voyage' to our wonderful Year 6 cohort as they soon head off into the sunset for life at secondary school. We trust that they take with them our values and high expectations and naturally, many happy and fond memories. They ended their year on a high note, seizing new opportunities on their residential to Grafham Water. It has been a pleasure to see how far these children have come and to find out about how they have challenged themselves, using a positive mindset. At Grafham they enjoyed activities such as climbing Jacob's ladder, building rafts with each other, learning to sail and taking part in an archery session. A firm favourite was taking part in the well renowned 'Grafham Challenge'! This opportunity really brought together the team spirit in Year 6, along with skills of resilience and courageousness.

Year 6 certainly went out in style in their humorous performance titled 'What's the Crime Mr Wolf' alongside their peers from Year 5. This later years performance was a perfect example of how our children exercise the 7 habits that we know so well in our school. The audience and judges had to hear evidence from 'the prosecutors' and 'the defence' in this witty tale where 'Mr Wolf' took the stand to explain why he needed to be a carnivore! Our children excelled themselves and each role was acted with such professionalism and confidence. It was remarkable to see how far they have come and how they applied their outside interests within this context. We are so very proud of these children and the mature performance that they were able to deliver. Thank you to our amazing later years staff who ably supported the children to achieve this. We trust that our Year 6 children will spread their wings and fly!

As a final note, thank you so much to all of our families for their wonderful support, it really does mean so much to our school and makes a positive difference to children's learning. We truly hope that you enjoy a wonderful summer break and look forward to reporting more next academic year, when we resume school for Years 1 to 6 on **Wednesday 3rd September.**

Sarah Jarman
Executive Headteacher

Notices from the Headteacher

Thank you!

Staff News

As previously advised, Miss Tandy will be moving on from Queen Edith at the end of term to re-locate. We wish Miss Tandy well for her move and again wish to thank her for her work in our school.

We also say goodbye to Mrs McIlveen, who has taken up a post to be closer to her family. Mrs McIlveen will be a huge loss to our school and has given so many exciting learning experiences to the children at Queen Edith. Always striving to present information in new and exciting ways! We shall miss Mrs McIlveen and wish her well for the future. We also wish to thank her for her work at the school.

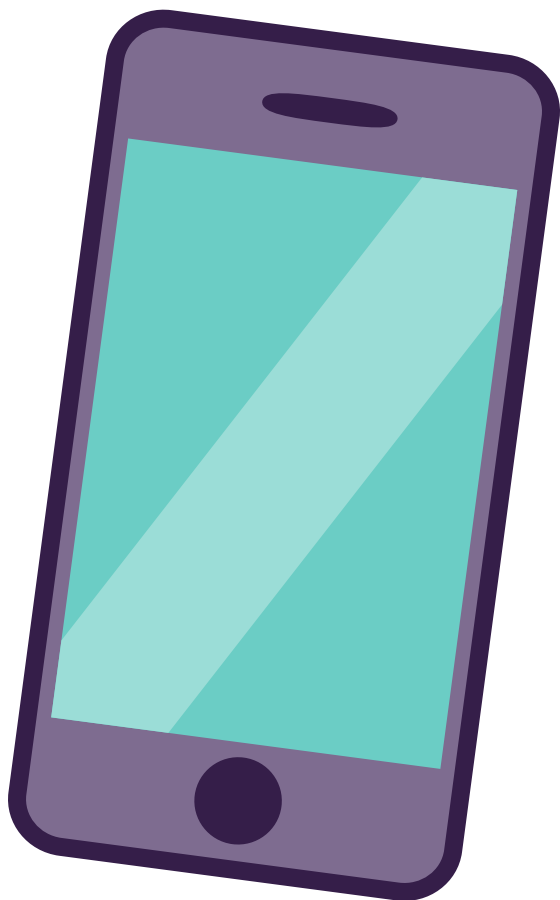

Of course, we also say farewell to Mrs Dove, a long standing Teaching Assistant at Queen Edith. Mrs Dove is taking time to enjoy her retirement following her commitment to the children in our school. We hope that she enjoys her retirement and we wish to thank her for her kind hearted manner with our children.

GOOD LUCK!

Pupil Mobile Phones

For pupils who need to bring a mobile phone to school, please observe and support our policy around this. Pupils are asked to switch off their mobile phones PRIOR to entering the school site i.e. before coming onto the school grounds. All mobiles must then be handed in at the school office before going into classrooms. Mobile phones may be collected by a child or their parent at the end of the school day and may be switched on after leaving the premises. This minimises the risks for children whilst they are in school. Children who are accompanied to and from school have no requirement for a mobile phone in school.

Notices from the Headteacher continued

School Uniform

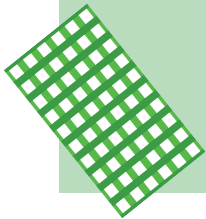

Our children are doing so well with following uniform expectations at the moment, so let's keep up the efforts!

We are aware that towards the end of the year, families can tend to veer away from uniform expectations, however please be reassured that the expectation remains in place for all children.

School Uniform

- Grey skirt, pinafore, trousers or shorts
- Green and white checked summer dress
- Bottle green sweatshirt or cardigan
- Bottle green or white polo shirt
- Black shoes or black trainers (children in Years 5 and 6 require a pair of black indoor shoes - often plimsolls)
- White, black or grey socks / tights
- Leggings may be worn instead of tights, but not instead of trousers.
- No jeans please

Jewellery

Jewellery may not be worn in school. The only exceptions are watches, studs for pierced ears, and cultural or religious adornments, which must be removed during lessons involving physical exercise. If such items cannot be removed, the individual is not prepared in an acceptably safe way and cannot continue as is, so must take part in modified activity. The school will not accept responsibility for removing or storing studs. Long hair should be tied back for PE and DT activities.

Trainers

It is our school uniform policy that school shoes should be black. This includes where the option is taken to wear trainers. More recently we have seen brightly coloured trainers creeping into school. Whilst we are in the final term of the year, the uniform requirements remain in place and your co-operation for maintaining our high standards is appreciated.

Children need plain black shorts, a white t-shirt and plimsolls/trainers. Depending on the weather, children will also need a tracksuit and trainers for outdoor games lessons. Children will continue to arrive in their PE kits, when it is their PE day.

PE

Scooters & Cycles

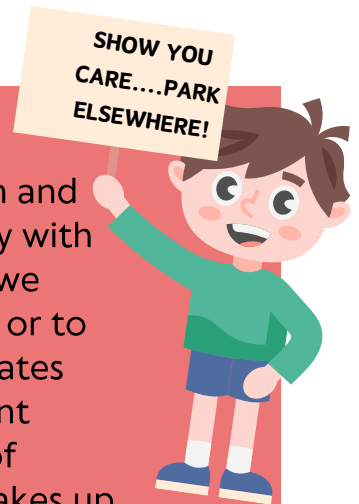

DON'T FORGET

Please be reminded that scooters and cycles **MUST** be dismounted before entering the school grounds, **by both adults and children**. Please also be reminded that the large vehicle gate at the front of the school is not suitable for pedestrians and cyclists to use. Please use the smaller gate to access the site.

Parking

Please ensure that you continue to think about our children and the community by parking considerately. We liaise regularly with the parking control team and notify them of any concerns we might have. It is not acceptable to park on the zig zag lines or to use the entrance to the school as a drop off point. This creates danger for our families and children. We receive a significant number of emails from upset local residents, informing us of parents/carers who block driveways or park illegally. This takes up a large amount of time to manage, so your co-operation in parking lawfully and mindfully is appreciated.

School Meal Changes

From September, our school catering providers Aspens, will be using a different system to process School Meals orders.

The new Swift system will enable ordering via an app as well as online ordering. Service at lunchtime will be improved with all orders and allergy information being given to the kitchen in real time by way of tablet computers. This change will require payments to be made to the new Swift system, so please run down any credit on your child's existing Select account. Should you have any credit left on your child's account, you will need to contact Select directly who will organise a refund for you.

Phone: 03302366833

Email: info@aspens-services.com.

More details about the new Swift system will be sent home soon.

If your child is currently in Year 2 and moving into Year 3, they will no longer be eligible for universal free school meals. When they return in September you will need to pay £2.75 if your child chooses to have a school lunch.

We will return to school on Week 2 of the current menu.

Summer singing workshop

With Katie Attle, Lottie Attle and Lucy Beeton

Thursday 28th August

9:30-12 for 6-9 year olds

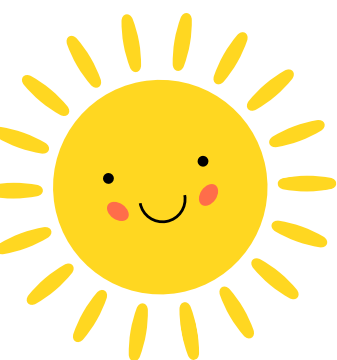

1-3:30 for 10-16 year olds

Summer Term Closes	Monday 20th July 2026
Summer Holiday Begins	Tuesday 21st July 2026 onwards

Bumblebee (Nursery)

Children in Bumblebee class have been learning the story of the Very Hungry Caterpillar by Eric Carle. They have made story maps and have made their own group books.

We have shared other stories by Eric Carle and have made caterpillars and butterflies for our classroom display. We have learnt new words and facts about caterpillars and butterflies and have been very excited to observe our own caterpillars turning to butterflies in our nursery!

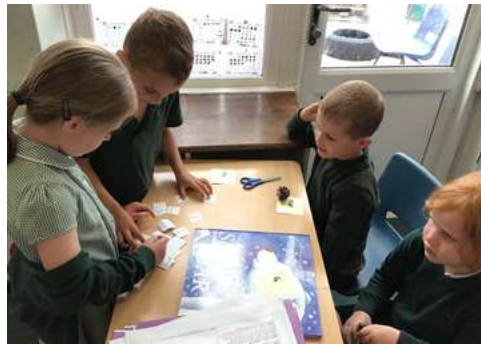

Dragonfly (R1) & Ladybird (R2)

This term Reception children really enjoyed a visit to the Cambridge Botanical Gardens. We were all very sensible on the coach, looking for familiar sights during the journey. It was such a fun busy morning exploring the gardens and looking at all the amazing plants. During our time at the gardens we used our senses and thought about what we could see, hear and smell. We also looked for the tallest tree, which was enormous!

We enjoyed a nature scavenger hunt, looking for items such as something that could be a fairy's hat and something small and beautiful. We also enjoyed doing a photo hunt, seeing if we could find the places pictured on our photo sheet. Highlights of the day were definitely the coach journey and a special picnic lunch on our return! A big thank you to the parent helpers that made the trip possible!

Daisy (1.1)

In Daisy class this half term, we have been learning about money in Maths. We set up our own shops then we enjoyed buying various items using 1,2,5 and 10 pence pieces. We tried to think of as many ways as we could to buy items using different coins. In English we have been learning how to write recounts. We ventured out to the woodland for a leisurely walk and discussed the sounds, sights and scents of the nature around us. Then we collected some natural materials to build homes for woodland creatures. They looked amazing! We are now spending time writing about our adventures.

Iris (1.2)

As part of our 'Under the Sea' topic, Year 1 have enjoyed experimenting with different techniques and materials to produce some wonderful sea-themed paintings in Art.

We have also explored the question "How is the birth of a baby celebrated?" We delved into various traditions and celebrations including baptisms in Christianity and Aqiqahs in Islam. We enjoyed visiting St James' Church and seeing a baptism re-enactment in person! We then used all the knowledge we had gained to design our own events to celebrate the birth of a baby.

Sunflower (2.1)

This half term, Year 2 have been busy designing and making their very own butterfly soft toys! Using their newly learned sewing skills, the children joined pieces of felt together with running stitch, added antennae, and carefully stuffed their creations. The children then used their design plans to cut out templates and decorate their butterflies, finishing them off with colourful details stuck on with glue. The finished results were fantastic – we're so proud of how hard everyone worked. Our butterflies have been fluttering proudly around the classroom ever since!

Dandelion (2.2)

The children in Dandelion Class had a great time exploring microhabitats, investigating areas like leaf litter and spaces under logs and making predictions about the minibeasts that might live there. Working with partners, the children designed and built bug hotels to compare two very different environments; the warm, sunny paved courtyard and the dark, damp area under the hedgerow.

Together, they filled their bug hotels with natural materials such as hay, bamboo, sticks, stones, moss, fir cones and leaves to create inviting homes for the minibeasts. Their efforts paid off when they discovered a wide variety of creatures taking up residence, including slugs, beetles, snails, earwigs, spiders, ants and woodlice. This hands-on investigation not only helped the children learn about habitats and biodiversity but also encouraged teamwork, observation and care for the natural world.

This half term, the children in Nightingale Class concluded their study of rocks and soils, which we then presented in our Class Assembly! In English, we wrote a 1st person perspective letter based on a book called The Gardener, and then a creepy poem based on The Sound Collector by Roger McGough.

Nightingale (3.1)

In Maths we have been exploring angles, turns, 2D and 3D Shapes. RE has been about how people care for our world, and

linked to our Science unit on Plants, DT has focussed on food and nutrition, to create a tasty locally grown feast (including our own cress!). In Geography we have been learning all about maps and keys, while in PE we've enjoyed getting outside to play rounders!

Robin (3.2)

This half-term Robin class have enjoyed continuing to play the recorder in music and learning about how different religions look after planet Earth and English. The children have enjoyed creating their own version of The Colour Collector, their poetry skills were fantastic. In Maths we worked hard on telling the time, children particularly enjoyed learning about Roman numerals. We have predominantly enjoyed the feast we created in DT. We munched on different locally grown fruits and vegetables, local cheese, delicious apple juice and Mrs Galantini's scrumptious bread. The staff in Robin class are incredibly proud of the children and wish them all the best in Year 4.

Goldfinch (4.1)

This half term, we finished off our Roman Banners and they looked excellent! We had to design our banners based on something that is meaningful to us. We were able to practice different stitches to see which one was best and then we stitched the banners together.

We have also been enjoying some writing based on Robot Animals and trying to convince our audience to buy them. We came up with technical language and talked about what would happen if the Robot Pets were not looked after – some of them may blow up if not taken care of!

Kingfisher (4.2)

Kingfisher Class have been busy putting their skills to the test both inside and outside the classroom! During Sports Day, the children showed great determination and team spirit.

Meanwhile, in Science, we have been exploring the forces of gravity through exciting investigations. We designed and tested parachutes to safely land an egg and built impressive bridges to see how many dictionaries they could hold. It's been a fantastic half term of creativity, resilience, and problem-solving!

Horse Chestnut (5.1)

Children in Year 5 have enjoyed a cross-religion unit in RE, asking 'How can we answer life's ultimate questions?' They have learnt what people from many religions believe about the meaning of life, forgiveness, and how to make good decisions. The children have enjoyed learning different viewpoints through thoughtful discussions and games.

Silver Birch (5.2)

Silver Birch Class Make a Splash This Summer!

Silver Birch class had an amazing opportunity to go swimming at The Perse School – and what a fantastic experience it was for everyone involved!

It was wonderful to see our confident swimmers developing their stamina and refining their strokes. Equally inspiring was the progress made by our non-swimmers, who showed great determination and courage as they built up their confidence in the water. Week by week, smiles grew wider, splashes got bigger, and everyone left the pool just a little prouder of what they had achieved.

Oak (6.2)

Grafham Water trip

On Wednesday 11th June to Friday 13th June me and the children of Year 6 went to Grafham Water on a residential trip. I faced many challenges such as climbing The high ropes, doing windsurfing and shooting arrows in archery. Some of my favourite activities were sailing, stand up paddle boarding and

Art

In Art we have been creating our final All about me art project using self portraits, collages about ourselves and using perspective. Have a look for yourself we hope you like them. We worked very hard.

Leavers hoodies

One of the most exciting parts of year six is getting our leavers hoodies. They are personalised oversized hoodies that have our friends names in a 25.

Production

In Later Years, we have been working hard to put together our production in time for the 7th of July when we will be performing for our parents.

Beech (6.1)

By Joana

OUR FACILITIES FOR HIRE

The Queens' Federation is pleased to offer some of our facilities to the local community for hire outside the school hours.

We have the Small Hall at Queen Edith available on Saturday mornings and the hall at Queen Emma available on Wednesday evenings and Saturday mornings.

We can accommodate regular weekend lettings and one off bookings for children's parties.

The Lettings page of our website can be found **HERE**

If you are interested in hiring a space at Queen Edith or Queen Emma Primary Schools, either for a one-off event or as a regular letting, please contact Mrs Anna Biard by emailing community@queenedith.cambs.sch.uk or calling 01223 712 200

**DON'T
FORGET**

Please don't forget to order your child's school dinner ready for the return to school after the Summer holidays on Wednesday 3rd September.

We do experience a high number of children who do not have a lunch ordered on Mondays or the first day of the month, so please make sure you check regularly that all your child's lunches are ordered.

FAQs and helpful tips

Q) What time is the cut off for ordering or cancelling a lunch each day?
A) 8.30am

Q) My child forgot their packed lunch, what happens?
A) They will receive a Jacket Potato and Baked Beans

Q) I forgot to order my child's lunch and I have missed the cut off time, will my child be able to have a lunch?
A) Yes, they will receive a Jacket Potato and Baked Beans

Q) My child wants to start having school lunches but I don't know how to order?
A) Please contact the School Office and we will be able to help you

Q) I think my child might be entitled to a Free School Meal, what should I do?
A) Please fill out the simple online application form on the link below, where you will receive an instant response to your eligibility status. If you are eligible for FSM your child's school will be informed within 3 days. If you have any queries regarding this information, please call the Education Welfare Benefits team on 01223 703 200 or email ewb.fsm@cambridgeshire.gov.uk

www.cambridgeshire.gov.uk/freeschoolmeals

Could your child be entitled to a

FREE school meal?

THE | OXFORD & CAMBRIDGE SINGING SCHOOL

Birthday books instead of cakes and sweets please!

Please be reminded that at the beginning of this year, we requested that parents donate either a new or a pre-loved book to their child's class rather than sweets or cakes to mark a child's birthday. This is in the interests of promoting healthy lifestyles and in light of the fact that it is more inclusive for our children who may have allergies.

Donated books should be sent to the school office so that a special sticker can be placed in the front, detailing who donated the book and can provide a lasting legacy for all children in the class to enjoy.

Thank you for your co-operation.

Thinking about making a change....

Have you ever thought about being a Foster Carer to children who can't live with their families? Ever thought to yourself 'I'd love to care for a child' but then wondered how this would fit with your work commitments? Are you held back by thoughts of doubt that you could be a Foster Carer?

If so, you could be denying a child or young person the opportunity to have a wonderful home with you.

There are children and young people who need a loving home, and you could be just what they need.

If you would like more information about becoming a Foster Carer, or know someone who could offer a safe, secure and loving home, then please get in touch on:

0800 052 0078 or email fosteringmarketing@cambridgeshire.gov.uk or visit www.cambridgeshire.gov.uk/fostering

Queen Edith's COMMUNITY FORUM

The Queen Edith's Community Forum have a 'clothes hub', where we're collecting donations of good condition children's and adult clothes plus toys, books, DVDs and passing them on to local families.

It's run by local volunteer Rachel Pogar - contact Rachel via Facebook <https://www.facebook.com/rachel.pogar.9> to let her know what you need or make an appointment to see what's in stock.

Everyone is welcome and it's all free, though if you'd like to make a donation to the Community Forum, that would be appreciated.

CONTACT US

Please get in touch if you'd like more information:
