Queen Edith Primary School
Year 3
Autumn Term B

Which challenges will you choose to complete?

Write a description of another world, that you have reached through a 'portal' or 'doorway'. Try and describe what it looks like, feels like, and sounds like. Use your imagination and go wild!	**Create a poster about a different country**, to encourage people to go on holiday there. You could include information about: the weather, food, landmarks and the capital city. Don't forget pictures!	**Write an acrostic poem about Autumn or Winter.** An acrostic poem has a line starting with each letter of a word, so, in an **AUTUMN** poem, the first line will begin with an A, the second with a U, the third with a T, etc.
Write a review about a book you've enjoyed reading. It might be one you've read this term (at home or at school), or an all-time favourite!	French facts: Can you come up with some great fun facts about France? Set them out in a lively way using colours and pictures for us to share in class.	Create a travel brochure about France or a different country that you are interested in.
Try some French food and write a review about it. What did it look like, smell like, taste like? Did you enjoy it?	Create a collage using the French Flag as a theme.	Paint a picture of a landscape using the 'Impressionist' style!

- The optional challenges above can be completed at any time this half term. If you bring them into school, you will be able to share them with the class and get house points!
- Of course, if you have another brilliant idea for a challenge relating to our topic, you can do it instead!
