# Queen Edith Community Primary School Parent, Staff and Friends' Association Trustees' Report for the year ended 31 August 2023

## Administrative information

Charity Registration Number: 297363

Address: Queen Edith Community Primary School  
Godwin Way  
Cambridge  
CB1 8QP

Trustees during the year 1<sup>st</sup> September 2022 – 31<sup>st</sup> August 2023. Unless otherwise indicated all trustees remain in post at the date of this report.

Jon Griffiths (Chair)	from 20 <sup>th</sup> February 2017 to 24 <sup>th</sup> January 2023
Rachael Hayek (Committee)	from 20 <sup>th</sup> January 2020 to 10 <sup>th</sup> May 2021
(Treasurer)	from 10 <sup>th</sup> May 2021 to 31 <sup>st</sup> August 2023
Marianna Armstrong (Committee)	from 11 <sup>th</sup> March 2019 to 10 <sup>th</sup> May 2021
(Secretary)	from 10 <sup>th</sup> May 2021 to 24 <sup>th</sup> January 2023
(Chair)	from 24 <sup>th</sup> January 2023 to 31 <sup>st</sup> August 2023
Isobel Ross (Secretary)	from 24 <sup>th</sup> January 2023 to 31 <sup>st</sup> August 2023
Ellen Dyer	from 10 <sup>th</sup> May 2021 to 31 <sup>st</sup> August 2023
Miika Ahdesmaki	from 24 <sup>th</sup> January 2023 to 31 <sup>st</sup> August 2023
Rachel Allebon	from 11 <sup>th</sup> March 2019 to 24 <sup>th</sup> January 2023

## Structure, governance and management

The Queen Edith Community Primary School Parent, Staff and Friends' Association (QEPSFA or PSFA) is operated according to its constitution. The management committee consists of a chairperson, vice-chairperson (post currently not filled), treasurer and secretary, as well as general members, and is elected at each AGM, although members may also be co-opted during the year.

The committee may consist of parents of children at the school, members of the staff and friends of the school. However it is usually parents of children at the school who put themselves forward to support the school in this way.

## Objectives

The objective of QEPSFA is to advance the education and wellbeing of the pupils of Queen Edith Community Primary School, Cambridge ("the School").

- (a) Engage in activities which support the School and advance the education of the pupils attending it.
- (b) Provide, and assist in the provision of such facilities or items for education at the School (not provided by the statutory funds) as the Committee in consultation with the Governing Body shall from time to time determine.
- (c) Foster more extended relationships between the staff, parents and others associated with the School, including the local community.

The PSFA aims to both raise funds for additional facilities for use by the pupils of the school and to strengthen the school community of parents, children and staff.

## Activities undertaken for the public benefit

In planning the activities for the year, the trustees kept in mind the Charity Commission's general guidance on public benefit and in particular the advancement of education.

The charity is an association raising funds for Queen Edith Community Primary School which is open to the public for the education of children.

The constitution is such that all those directly connected with the school are members.

Some events organised by the PSFA are not primarily intended to be fundraising events, but rather community-strengthening events or for providing a service to the school and its community e.g. second hand uniform sales. In this financial year, Santa's Grotto ran at a slight loss. We were cognisant of the impact on rising costs on families and suggested a donation to help cover costs only. International Food Evening is run as a community event to bring together families from many backgrounds. It made a modest profit of £351.93.

We work in partnership with the school to advance the education and wellbeing of all pupils of the school, through fundraising and helping to build the wider school community.

### **Volunteers**

Without the contribution of parent and staff volunteers in planning, organising and supporting events the association would not be able to function. The PSFA committee, parents and staff helpers at all events are volunteers. Many parents of the school have been involved in supporting PSFA events either directly helping or supporting (for example donating uniforms).

### **Donations to Queen Edith School**

#### **(i) Donations from Fundraising**

Donations to the school through fundraising are agreed by members present at association meetings, following discussion with the head/assistant headteachers.

#### **(ii) General School Donations (from direct cash donations)**

Following cuts to the school budget in 2019 some families wanted to make direct cash donations to support the school. The Charities Aid Foundation (CAF) and Benevity workplace giving were advertised to parents. Any donations that are received through this route were donated directly to school as 'General School Donations' until January 2023.

The amount raised in this fashion decreased significantly in this and the previous financial year. This method of raising funds directly is no longer a focus for the school management team and hence has not been promoted over the period by the school. We requested that the head teacher review this mechanism of raising funds with the Board of Governors. In January 2023 a letter was sent to the school community stating that donations made via these mechanisms would be used in the same way as money raised via fundraising events by the PSFA and would be managed in the same way (paying for specific initiatives) rather than being passed directly to the school from this date.

### **Review of the year - September 2022 to August 2023**

This year was the first since the COVID pandemic where a full year of PSFA activities was able to be run with no restrictions. The full year of activities included discos, cake sales for all years, international food evening and the ever popular summer fete. A group of parents also took responsibility for arranging the uniform sales on a regular basis and these were held throughout the year, either as scheduled events or allowing parents to request via email.

During the year regular PSFA meetings were held either virtually or in person. This was done for convenience and accessibility reasons rather than due to any restriction .

### **How much did we raise?**

Across the year our surplus (including direct donations) was £15,649.80. This included:

- Profit from fundraising - £13,652.97
- Direct donations - £2,115.82

### **What was the money used for?**

During 2022/23 the association has provided funds to the school for:

- 21/22 Year 6 Leavers Books - £351.15 (invoice came in September 2022)
- 22/23 Year 6 Leavers Books - £383.33
- Library Books - £950.00
- KS1 Reading Areas - £1776.94

Agreement was made to prioritise and fund the following items in 2023/24:

- Reception Trim Trail (expected to be £4,000-5,000)
- Refurbishment of KS2 Reading Areas (expected to be £1,000)

- Redevelopment of courtyard and nurture areas. This is an on-going initiative for which there have not yet been sufficient funds but with the surplus from 21/22 and 22/23 this will be taken forward in 23/24. (Quotes for this are pending)

### Events:

**Second hand uniform sales** made £436.65 profit.

At the start of 2021 a uniform group, made up of parent volunteers, started meeting to try to maximise access to the uniform. They have been sorting the uniform regularly and donating any stained, torn and unsellable uniform for 'Rags' to a local charity (the Arthur Rank Hospice charity).

The PSFA organised a uniform sale every half term during 2022/23. They have also been making the uniform available at school open afternoons, when parents are coming to the school to see their children's work. Office staff have been accessing the uniform to give to pupils who have started mid-term and staff have also been pulling out the organised boxes for open mornings, for instance at the recent Reception open morning.

The uniform is accessible during the last week of each half term. It is put out in the KS1 playground at morning drop off and afternoon pick up for 3 days during the last week of each half term, weather permitting.

The uniform group has an idea to obtain a uniform shed, which will mean more space for the uniform and greater access for the school community. The plans for this are yet to be finalised, and the school is on board with the idea, in theory, although further discussions are required.

**Santa's Grotto** made £14.79 loss

In 2022, Santa attended the Queen Edith school grotto and delighted the children from nursery, reception and years 1 & 2. The children visited Santa in the grotto, which was decorated and set up by the PSFA and parent helpers and each child received a gift of a book.

The grotto looked lovely and was a great surprise for the children who had not seen it for a few years, due to Covid.

A special thanks to Dawid, the caretaker, for building the grotto and to Miss Thurston and the year 6 elves who helped co-ordinate the morning as well as entertain the younger children as they waited to meet Santa.

**Bag2School** made £140.00 profit.

This initiative took place twice during the year; in October 2022 and April 2023.

We always try to give parents advanced notice so that they can sort through donatable items. Many parents mention how pleased they are to have the opportunity to declutter and donate items to an initiative that benefits the school.

Parents donated 310kg of clothes, bags, shoes, linen and other household items, which raised £140 in total.

**Cake Sales** made £1,182.43 profit

The popular cake sales continued with each year (except Year 6) taking on the challenge to bake cake, cookies and other sweet treats in aid of the PSFA. Sales took place in each half term with the amounts raised by each year as follows: Y5 - £208.84, Y2 - £176.70, Y4 - £204.55, Y1 - £101.16, Y3 - £223.80, Reception - £267.38.

To encourage engagement and also as a means to direct funds in accordance with the charity aims, we awarded the year with the highest takings a sum of £100 to spend on play equipment/activities that all children in that year can enjoy. This amount will be increased to £200 next year. The sales are also a fun way to bring parents together to bake and run the sale on the day.

**School Discos** made £2,138.91 profit

2 discos were held in this school year: one on 24th November and one on 23rd of March. As usual Disco Dave was there playing the tunes and we sold glowsticks, crisps, biscuits and squash. The Discos were split according to age with Reception to Year 2 attending first from 5pm to 6pm and

then Years 3-6 from 6.15 to 7.45. This event is organised by the PSFA with parent helpers running the refreshment and glow stick stalls and teachers are in attendance to take registers.

The November disco was better attended with 118 children at the first and 154 at the second disco. At the March disco there were 104 children at the first and 141 children at the second disco. Around £560 income was made at both discos from refreshments and glowsticks but the costs for the first disco were lower due to not having to purchase glowsticks as we had some remaining from 2020 when the disco was cancelled due to Covid restrictions.

**International Food Evening** made £351.93 profit

On Friday 24th February 2023, an International Food evening was held in the large hall at the school. Families from the school brought dishes from different countries, often their native country, and food from all over the world was available to be enjoyed. There was representation from 21 countries. As well as sampling food, a quiz was prepared by a committee member for the children, which kept them busy and educated them too, allowing them to visit the different tables and learn facts about each country represented at the evening. Flags were put up around the large hall and there was some music too.

Extremely positive feedback was received, with parents asking whether the event could be arranged on a regular basis. It really celebrated the diverse community of the Queen Edith school and was a successful event that brought everyone together.

**Queen Edith School Fete** made £8,841.12 profit

The fete was held on the 20th May and was themed for King Charles's coronation. As in previous years the event was organised by a sub-committee, with individuals taking on responsibility for particular activities and delegating where possible to the rest of the parent body. The PSFA were in a position to kick off the fete in January which meant more time could be dedicated to pre planning and volunteers requests could be sent out earlier which contributed to the relatively smooth running of the event.

Certain stalls which had previously been outsourced to 3rd party suppliers were managed by the PSFA this year, in particular the ice-cream stand which was a huge success raising over £600 and sold out before the fete ended.

Post event feedback surveys indicate that the free of charge experiences such as the circus skills, balloon entertainers and orchestra were greatly appreciated. Parents also commented that they would like to see more food & drink offerings at future fetes as well as more activities similar to the inflatables which were both very popular and experienced lengthy queues.

The gate takings indicate slightly less attendance than last year however the fete still raised a similar amount to 2022 indicating the willingness of parents to spend money and help raise money for the school.

Significant sponsorship from local firms again provided enormous financial help. This included the estate agent board campaign where 106 parents and teachers signed up to display outside their homes raising £1325 for the school.

All the floats and cash takings were handled by the school with the help of parent volunteers.

**Ziffit** made £52.17 profit

Leftover books from the Summer Fete were sold via online platform Ziffit to raise additional funds. Remaining books were donated to the school, charity shops or St James's Church.

**Online Shopping Fundraising Portals:**

**(i) Easy Fundraising**

We encouraged parents to sign up for EasyFundraising when online shopping before Christmas which included a £10 bonus for people signing up by the end of November and raising £10 within a year. The amount we raised this year was £321.45, slightly less than the £355.50 raised last year.

**(ii) Amazon Smile**

For purchases made through this portal, Amazon donated 0.5% of the net purchase price to a charity. Amazon Smile decided to discontinue this from 20th February 2022. The final payment

included a one-time payment equivalent to six months of the amount accrued in 2022 taking the total received in 2022/23 to £203.09 compared to the £154.41 received in the previous year.

**Online Charitable Donations – General School Donations**

Direct donations were originally set up for the school in 2019/20 at the time of the funding crisis, when parents asked how they could contribute to provide some services like Music Therapy that the school no longer had the budget for. The QEPSFA managed these direct donations through the Charities Aid Foundation, Benevity, Paypal Giving and UK Online Giving and passed them directly to the school. £9,549.93 was received in 2019/20 and £9,374.15 was received in 2020/21. The funding levels dropped significantly in 2021/22 to £2092.60.

Due to the change in Headteacher at the school, differences in the funding situation and the drop in donations, direct donations were discussed by the Headteacher and Board of Governors in late 2022 and it was decided that funds coming in via Benevity, Paypal Giving and UK Online Giving should be handled in the same way as other QEPSFA funding for projects in line with the QEPSFA aims, rather than being passed directly to the school. An email was sent to parents on 10th January 2023 so funds raised before this time were considered direct donations with the final payment being made to the school on the 16th of January,

Payments prior to 10th January

- Awaiting Transfer from 2021/22: £634.49
- Charities Aid Foundation (CAF): £1,400.00
- Benevity: £0
- UK Online Giving: £7.83
- PayPal Giving: £0

Final Direct Payment Made on 16th January: £2042.32

Payments made after 10th January

- Charities Aid Foundation (CAF): £549.99
- Benevity: £158.00
- UK Online Giving: £0
- PayPal Giving: £0

**Financial Summary**

QEPSFA made a surplus for the financial year ending 31 August 2023 of £15,649.80 before donations to the school.

During the financial year, donations to the school totalled £5,503.74 (£2,042.32 General School Donations; £3,461.42 specific donations). Funds carried forward are £24,664.70. This is a significant amount to hold in the QEPSFA accounts at the end of the year. This money has been earmarked for a new reception trim trail, new furniture for the KS2 reading areas and for a new structure for the courtyard area to be spent early in 2023/24 where possible.

<sup>1</sup> ParentKind is the new name for PTAUK, which was previously NCPTA - a national charity supporting PTAs countrywide

1. The PSFA funded a book for each year 6 leaver. However the invoice did not arrive until September 2022 for leavers in 2022 so was outside of that financial year. Books for Leavers in 2023 were also paid for in this financial year
